theme

This year's theme, *"Singing Our Song"*, meaningfully expresses the Villa spirit. Music plays an important part in our lives. It can entertain, enlighten, inspire, express feelings and moods — and it can praise God!

This 1985 edition of the *Vilmarian* brings together with pictures and words, the history of this past year with memories that will always remain uniquely ours. It serves as a recording of each Vilmarian's personal song; it also reflects the harmony of all of our voices blended together producing a song that can never again be sung by any other group at any other point in history.

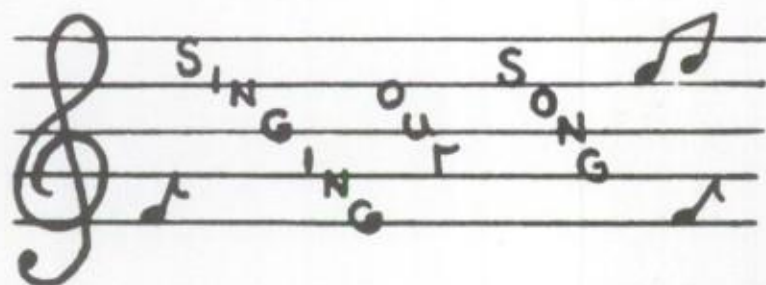

Music has so often been part of our experience at Villa. Oftentimes, it was the music we heard through headsets as we walked or rode the bus to and from school. At pivotal times of our lives as Vilmarians, the theme songs of our *Freshmen Welcome*, *Ring Day*, *Junior Senior Day* and *Graduation* have inspired and warmed our hearts. The Holiday and seasonal music rendered by the Chorus and Handbell Choirs has its own place in that part of us that will always be etched with memories of our days at Villa. The sacred hymns of special and memorable school liturgies that joined us together at the Lord's Table in praise, thanksgiving and petition have reminded us time and again that our Villa Family is just a small — but important — part of all who make up the family of God.

And it will be a long time before we forget the words of our *"Alma Mater"*:

"Hail to thee, dear Alma Mater, Source of knowledge and piety, Halls of learning, peace, and laughter, Friendship, joy and honesty."

activities

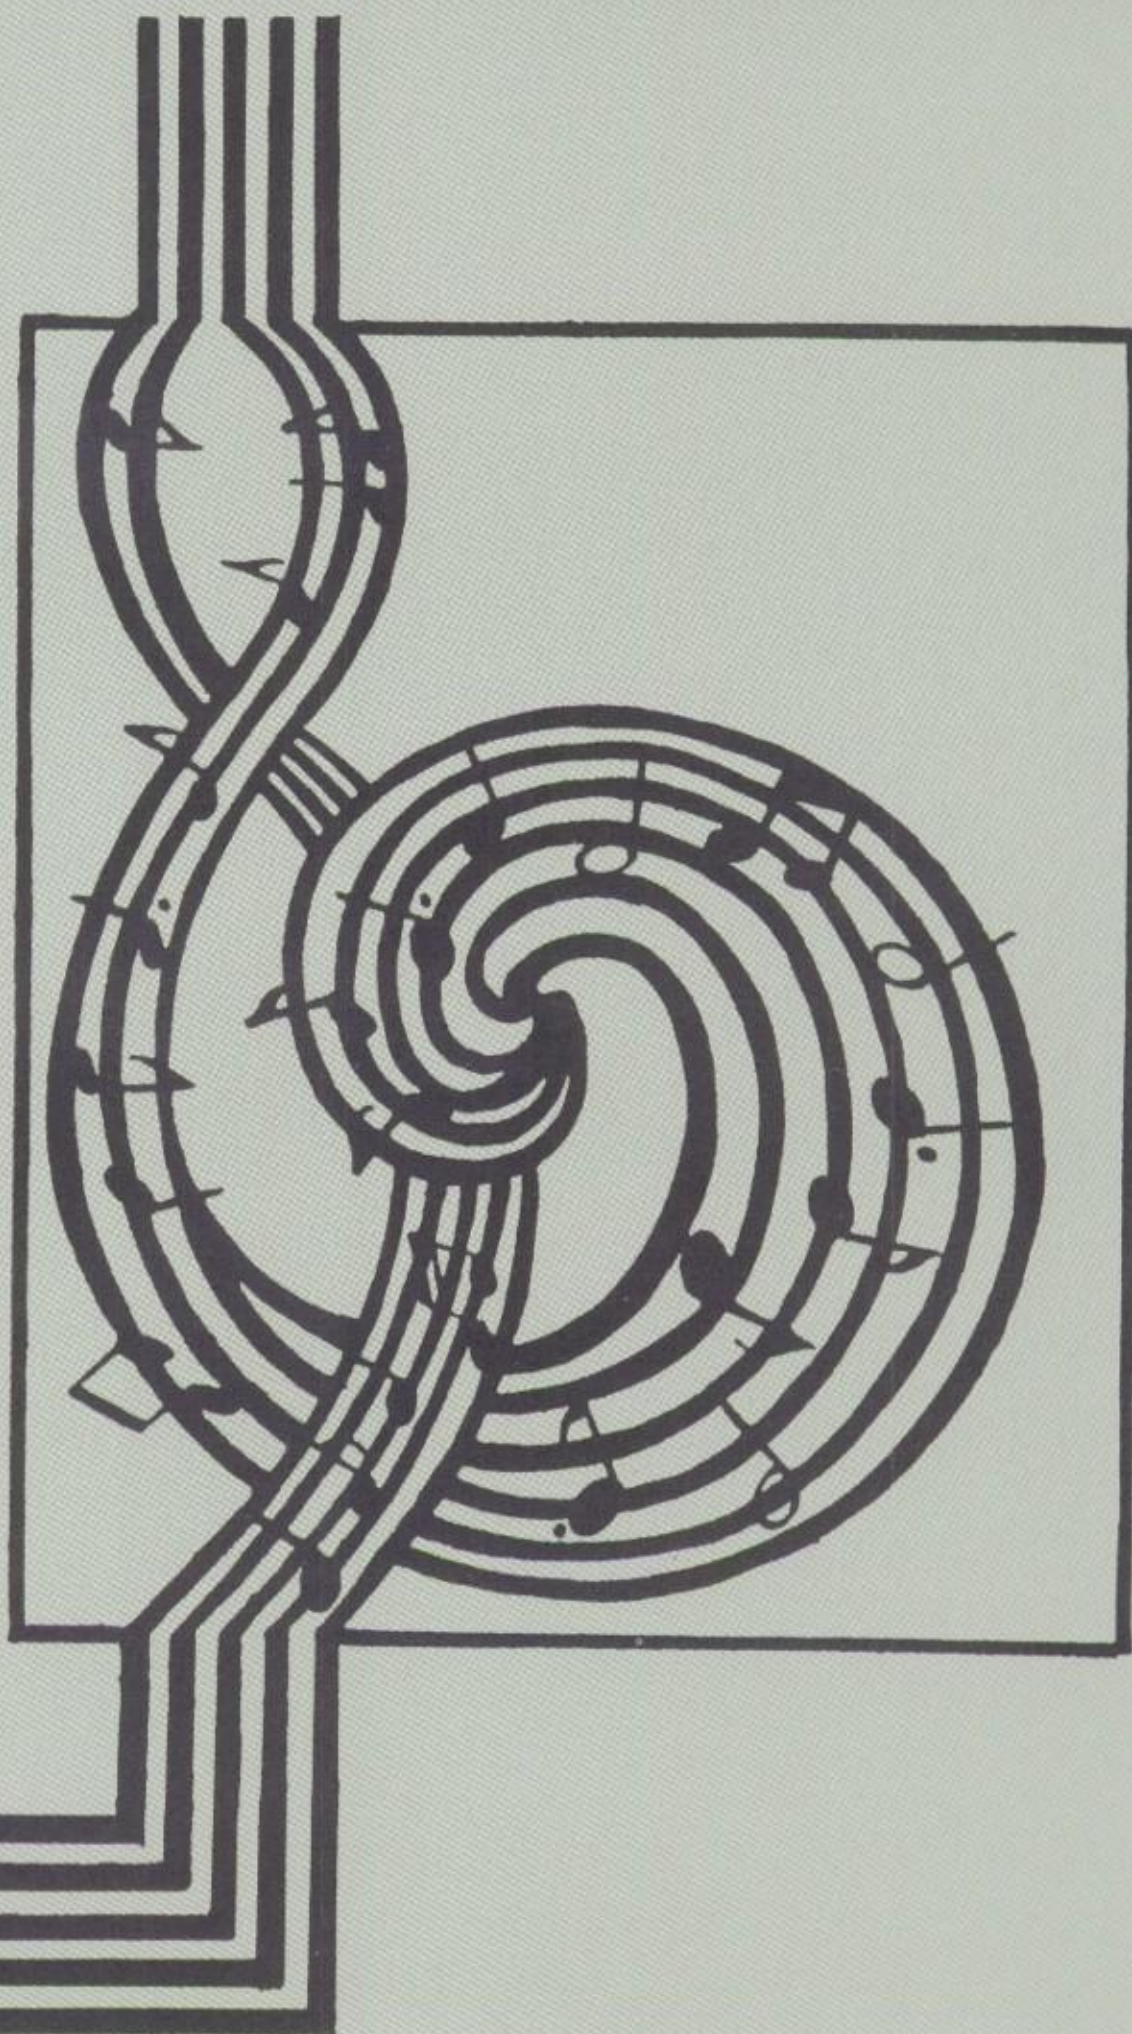

The song we sing as a school community at Villa Maria Academy is a unique harmonization diverse in sound and makeup from that of any other school's. It is created from many sources: the melody we sing in our individual academic and extracurricular pursuits, our spirited song as a class, and our song as a school community.

We have found over our years at VMA that although our own songs possess an individual beauty all their own, when combined with the songs of others, they produce a truly beautiful and unique harmony.

There are many events which expressed our different songs and in the orchestration of which we played different roles. Freshmen Welcome introduced the newest additions to the Villa family to the song that is Villa, as well as encouraged the Freshmen to sing their own song as Vilmarians. Junior-Senior Day celebrated the individuality of the songs of both classes while at the same time combining the two to produce a special melody of togetherness.

Ring Day provided the Juniors an opportunity to celebrate their incorporation into that long tradition of young women who call Villa their Alma Mater. School Spirit Week heard the school halls resounding with strains of pride as we all emphasized and celebrated what we love about our school and our friends.

During Retreats and the Grecchio Experience, our songs were offered to God, the Composer and Source of all song, in praise and gratitude for His Love and Goodness. No matter what the event or tradition, old or new, one thing is assured. Through all of these activities and the interaction they provide for all of us, our song as a school community will always speak of special moments and special memories and of a beautiful uniqueness that is Villa Maria.

Freshmen Welcome

Oh, You Beautiful Dolls!

Villa's halls and rooms were transformed for a day on September 28 into a **Toyland of Raggedy Ann** dolls as the Seniors officially welcomed the Class of '88. Perhaps even a Guinness Record was set for the number of redheads found in one building at one time!

Once again, the Villa tradition of welcoming new Freshmen was carried out in fine style as the Seniors all warmly sang out, "Hello, Dolly"!

Open House - 1984

This year's Open House gave prospective students and their parents a chance to see our facilities and experience the Villa Spirit. The Sophomore Class served as very gracious hostesses, acting as tour guides and serving refreshments.

Our guests were treated to a display of the talents of our gymnasts, "slimnasts" and swimmers and divers.

National Elections

Reagan-Bush or Mondale-Ferraro? This question was posed to the entire country, including the students and faculty of VMA, in November. A mock Presidential Election revealed that VMA went the way of the USA and re-elected the incumbents, although by a much closer margin.

Hike-Bike-a-Thon

A "skyburst" of blue and white balloons marked the launching of Villa's twelfth annual Hike-Bike-a-Thon on October 12. The Buffalo Zoo was once again the destination of the hikers, while the bikers pedaled to Losson Park. The beautiful early Autumn day added to the fun and success of the event.

Ring Day

The Juniors added a very special strain to their particular song as they garnered another high school treasure — their Class Rings. On October 28, 1984, with symbolic rose in hand, the Junior Class entered Villa's Chapel to join their families and the Villa family in this unique celebration of school and class pride.

Reverend Gregory Dobson, VMA Chaplain, officiated at the Liturgy and Sister Angelica conferred the rings.

The Retreat Experience is always a special event for all Vilmarians. This year's themes: "Questions About Ourselves and Others" and "Looking Back — Looking Ahead" afforded time for quiet and meaningful reflection in a prayerful atmosphere.

The Freshmen Retreat was conducted by Rev. Jim Vacco, OFM and the Sophomore experience was directed by Rev. Greg Dobson. Sister Suzanne Kush and Father Gene Ulrich led the Juniors in their spiritual journey. The Seniors spent a memorable day at Christ the King Seminary with Father Bob Schober as their director.

Liturgical Ministers

A most significant historical first was instituted at VMA this year as student Ministers of the Eucharist and of the Word began their ministry in the Villa Community. With the encouragement and leadership of Mrs. Barbara Ochterski, Religion Department Chairperson, two Extraordinary Ministers of the Eucharist and thirty-three Lectors were commissioned to serve VMA and their local parish communities.

Spirit Week

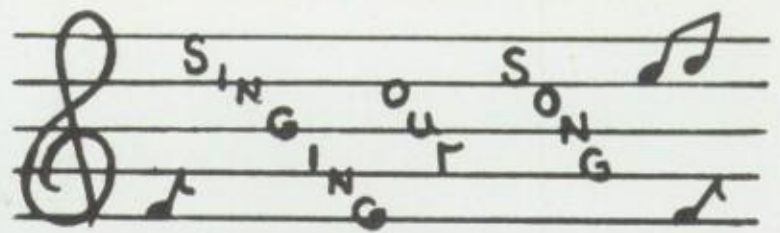

From February 4-10, the students of VMA celebrated their school and themselves through the many events and experiences of School Spirit Week. Sponsored annually by the Student Council, this year's Spirit Week encompassed many special happenings, including "Buttons, Bows and Hats Day", "Jeans and 50's Day" and "Friendship and Appreciation Day". The week ended with the much-anticipated Mini-Olympics with the Senior Class triumphing gloriously.

Seniors

Music reflects a people, its ideas, feelings and experiences. It makes them laugh and cry. Through music they share themselves and express individuality and solidarity. The song the Class of '85 has composed does all this and more.

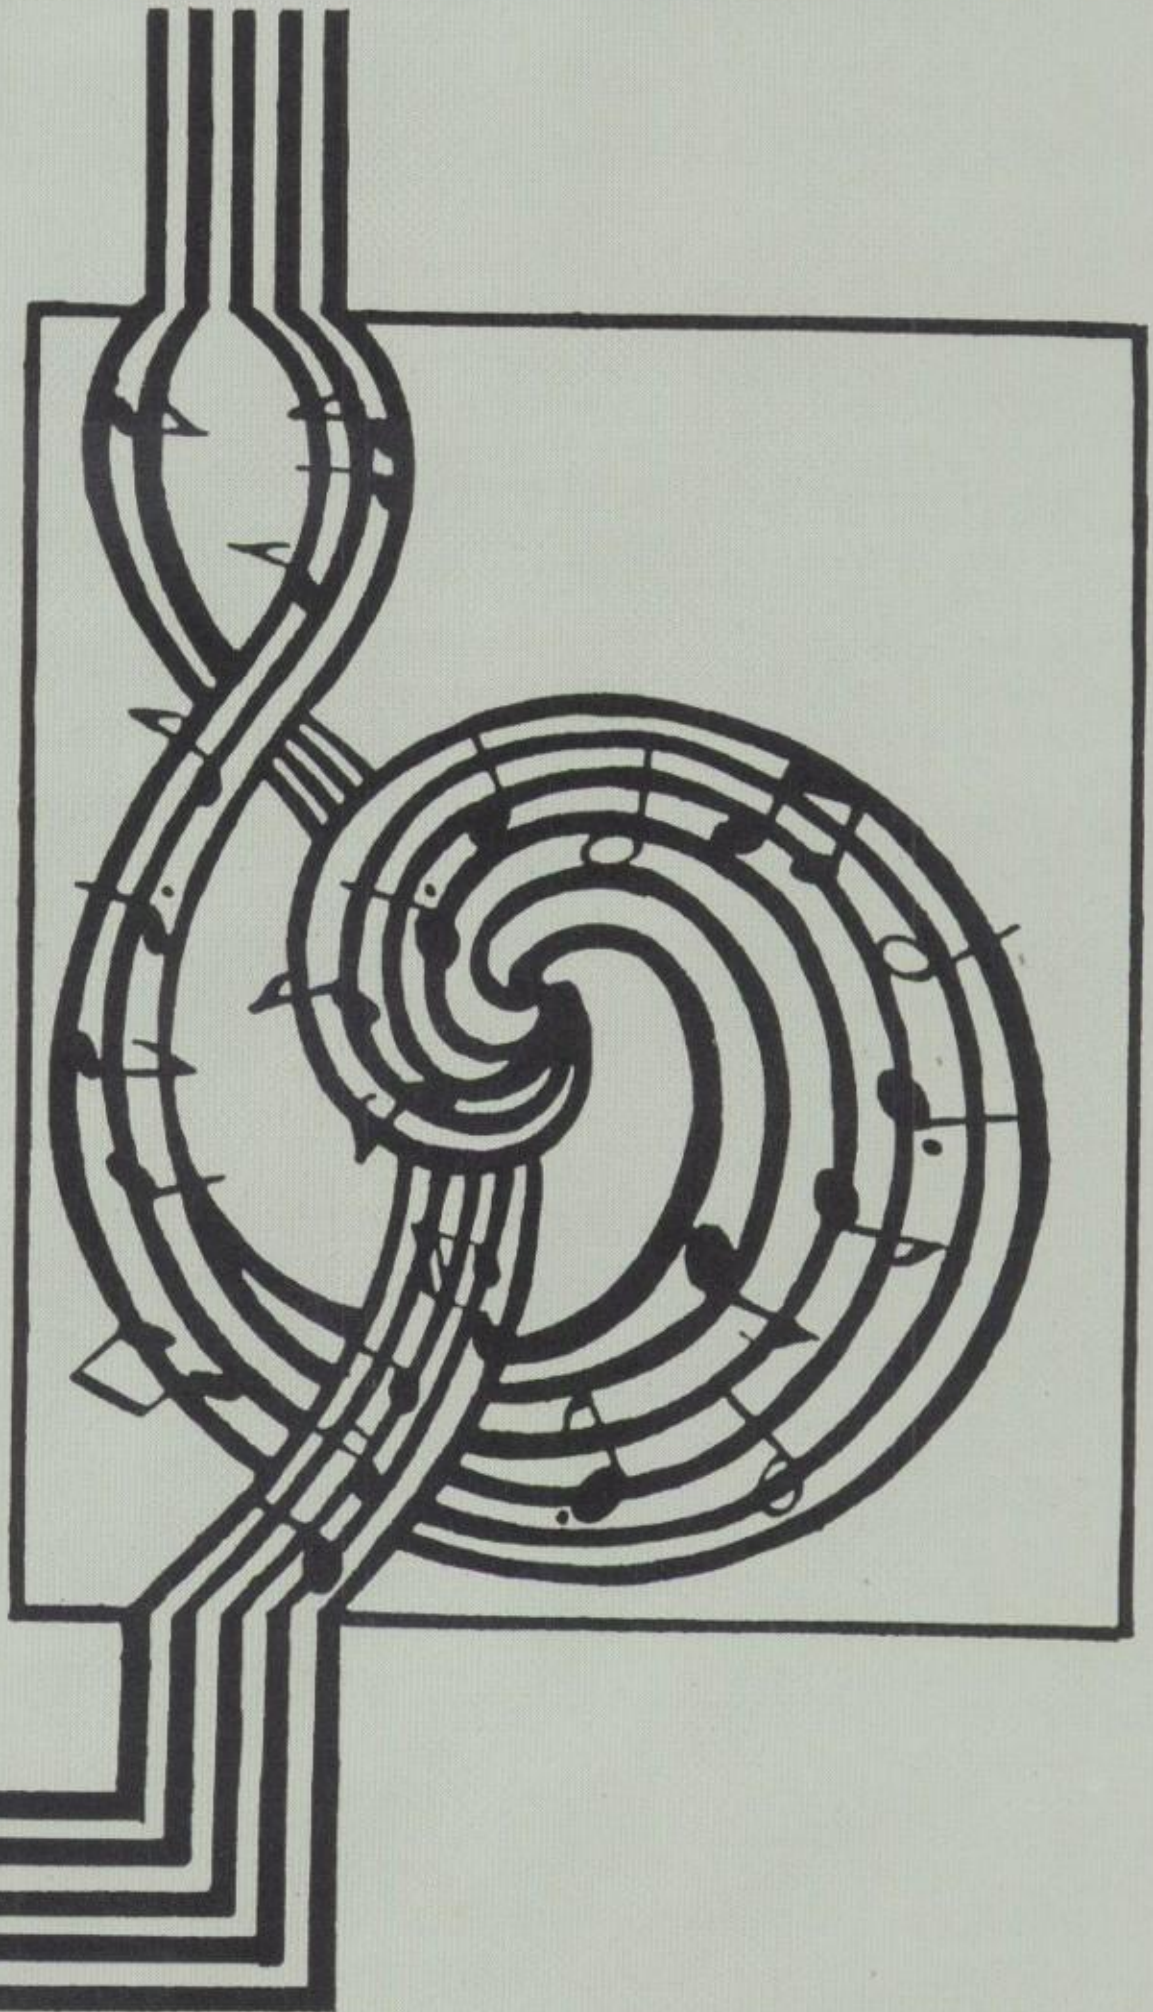

As Freshmen, our song started out as a jumble of notes. We were disoriented and unable to discern a direction for ourselves. But in a few short weeks, we found ourselves dressed as Teddy Bears and officially welcomed into the Villa Family. We made friends and shared new experiences throughout the year. Soon those jumbled notes evolved into a catchy melody.

It was not until our Sophomore year that we began work on the lyrics of our song. We deepened our friendships and developed our own unique styles. Our song began to take shape and it reflected each of us.

Junior year was the time we put the melody and lyrics together. We tried to make it all blend together harmoniously — and one day realized that we had indeed created a song — a song that reflected the spirit we had at Open House and the love we shared at Junior/Senior Day — one that told of our successes and our growth-inspiring failures. It sang of a class united.

As Seniors, we became the chorus that would sing our song to all those at Villa. We would remember fondly those past four years, knowing well that our song will have prepared us for the years to come.

Our song has told of a class that has lived and loved, one that has not only survived but has triumphed over all that was put before us. In one sense, our song is completed — and we sing it proudly. In another very real sense, it will never end — and for this we are grateful!

underclassmen

From our very first days as Vilmarians, songs have been such a special and memorable part of our lives. Each Freshmen Class is welcomed by its Seniors with a song on Freshmen Welcome Day — a song which uniquely fits the class and becomes part of its character and personality.

Our Seniors were welcomed to strains of "Teddy Bear Parade" as they became the "Cared-for-Bears of '81".

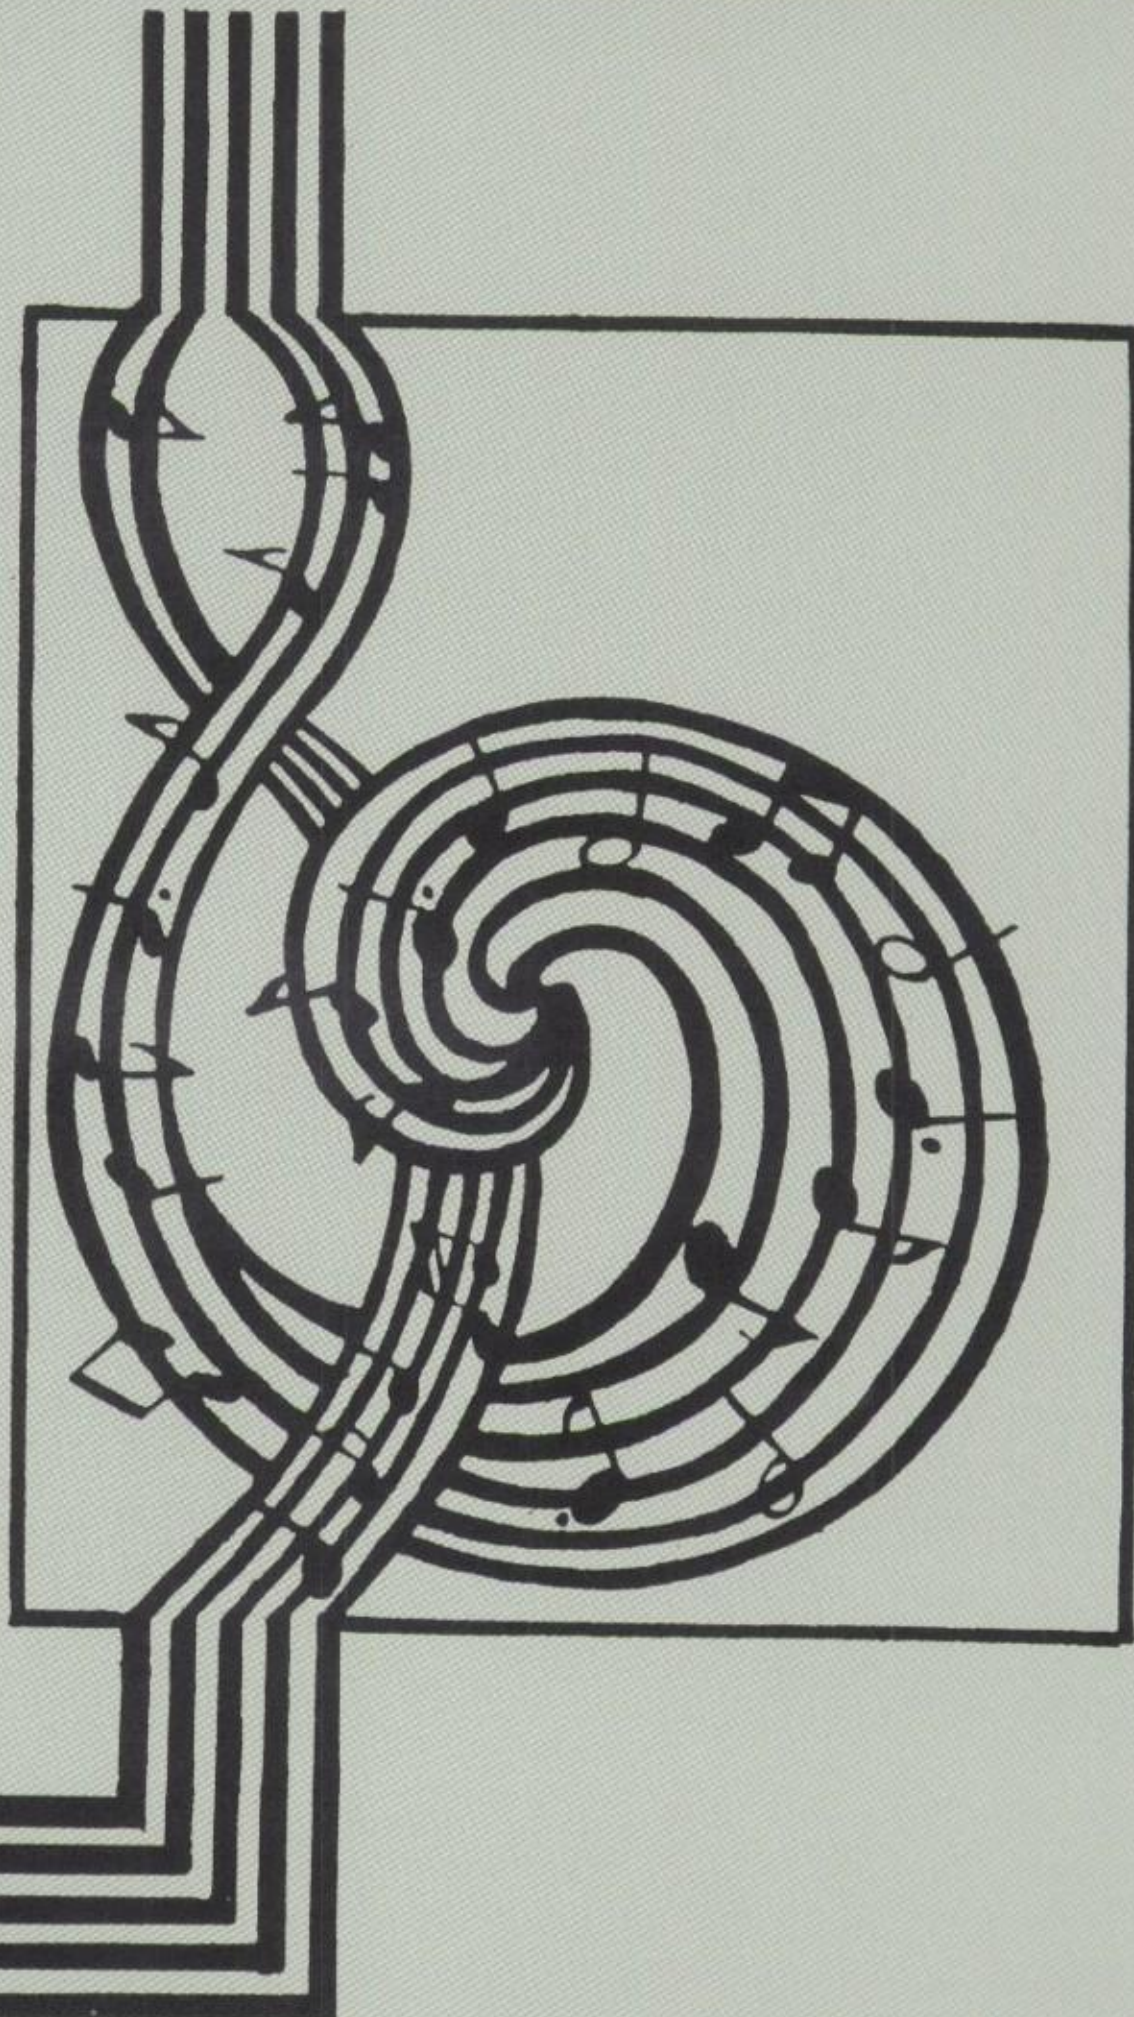

The Juniors remember floppy ears and fuzzy tails and humming along to "You're 'No-Bunny' till Somebody Loves You".

In '83, the Seniors sang out "Send in the Clowns" and their Freshmen (this year's Sophomores) obliged! In fact, they've been "clowning around" ever since!

This year, "Hello, Dolly" and "Oh, You Beautiful Dolls" welcomed our newest Vilmarians as Villa was transformed into a Toyland of Raggedy Ann Dolls.

The memories of those first days as Vilmarians mellowed as days became months and months became years and friendships grew and strengthened as we learned to sing each of our songs together — and as we learned new songs. We have sung together on Ring Day and Junior-Senior Day, on days of Retreat and other special Faith-Days; we have danced together to the music of our lives at Stu-Co dances, the Holiday Semi-Formal and the Father-Daughter Dance. School Spirit Week found us "singing proud" — and what would a Thon Day have been without a radio to sing along with as we walked or biked!

Yes, "Songs make such easy friends" — and they've helped make us friends, too!

"Teacher, Teacher, can you teach me?"

.38 Special

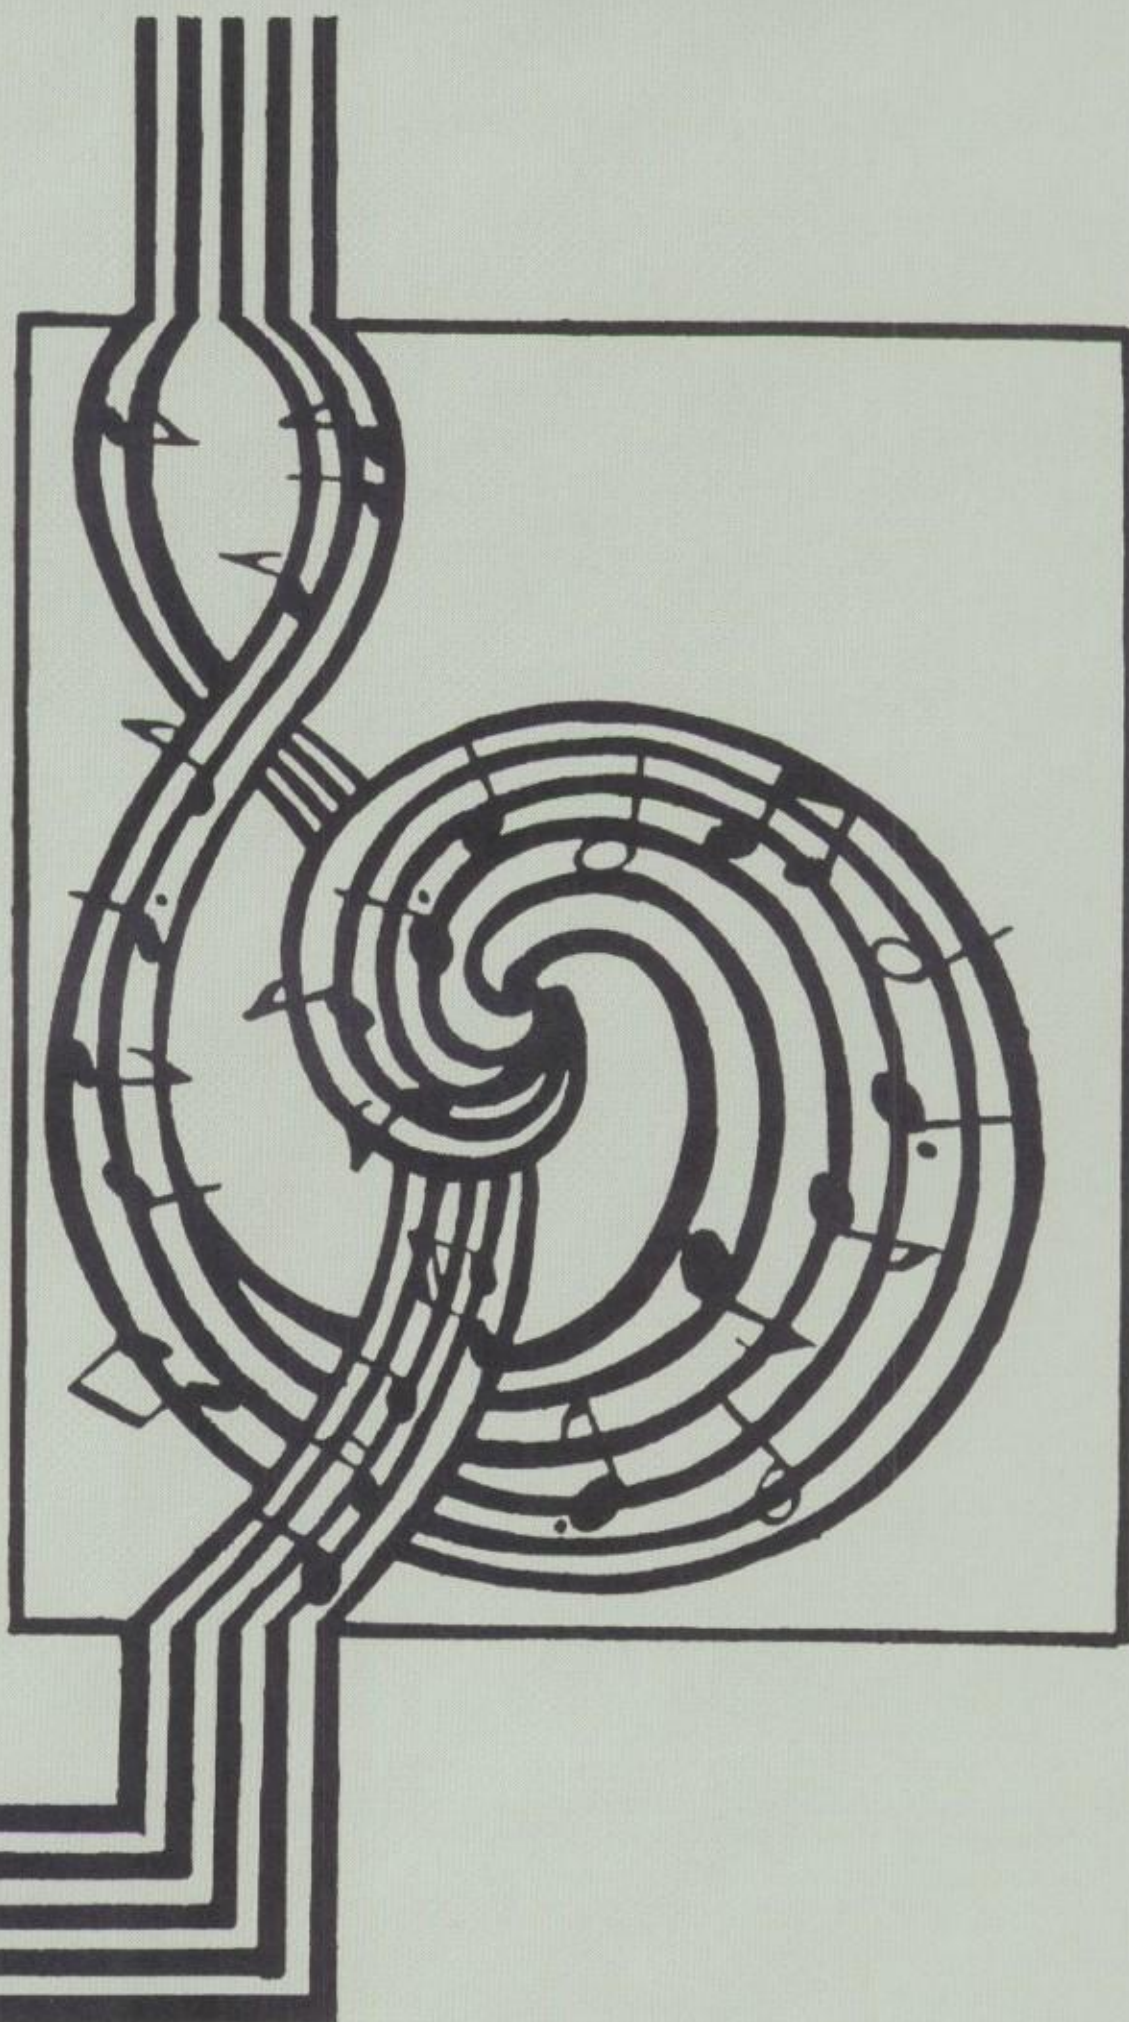

Faculty

Too often, we fail to look beyond the surface at so much in our lives. During our days as students, we often have tended to view teachers and administrators as teaching machines that produce lectures, labs, homework, rules — and yes, at times, detentions.

Upon serious reflection, however, we have come to know that our teachers have been much more to us than just mechanical objects. Villa's faculty has done more than just educate and inform us; they were always there when we needed them, devoting spare time and after school hours to help us prepare for tests and exams. They were willing to advise when we had doubts; and they were ready to listen and care even when there were no easy answers to the heartaches that were sometimes a part of our days.

We know the answer for ourselves to the question posed by .38 Special: "Teacher, teacher, can you teach me?" The answer is an emphatic YES! We have been taught knowledge and wisdom to a degree second to none! But our teachers and administrators have also taught us much more important things as well; they have taught us that good character and integrity are to be desired more than success, that a clear conscience is to be treasured more than wealth, that the dignity of our persons is more worthy of respect than position or prestige.

Our teachers have constantly tried to call forth the best in us — as Christians, as young women and as students. For all of that, "All that we can offer you is thanks." (The Dameans)

"Arrivederci Roma" and "Spanish Eyes"...just two of Sr. Angelica's favorite songs. Although Sister does seem to be an international song lover, she does like the song, "America", by her #1 singer, Neil Diamond. However, Johnny Mathis does run a close second on our Principal's list. As for her favorite radio station...of course, none other than WJYE, FM 96 - "all music, all the time!"

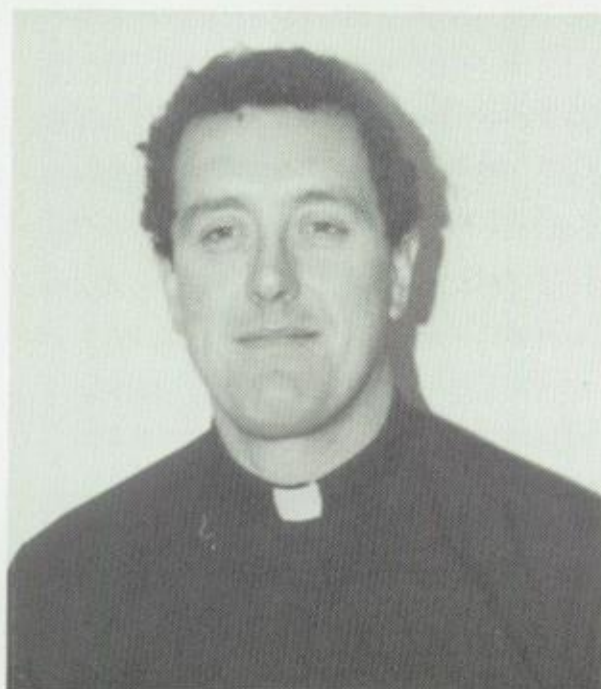

"I've sung my song before, and I'm sure to sing my song again." — Neil Diamond

clubs

Opportunities for Vilmarians to "sing their own song" throughout their four year sojourn at Villa Maria Academy are certainly afforded on the curricular and academic levels of everyday school life. Moreover, through participation in the many and varied organizations at the Academy, students are invited and encouraged and challenged to develop, express and share to the fullest extent their personal talents and abilities with the entire school community.

Each club embodies a different and unique song to be sung. Students choosing to make service their song might have been found involved in the Christian Life Community or the Justice and Peace Club. Those whose song is academically orchestrated may have chosen the Computer Club, FBLA, It's Academic or any one of the Foreign Language organizations. The National Honor Society was a coveted ideal attained by a select and chosen number; their song held strains of service, character, leadership and academic excellence.

Villa students who literally do have a song to sing or play, or an artistic talent to express found great enjoyment and a sense of fulfillment and success in the Chorus, Folk Group, Handbell Choir and the Art Services Club. A sense of accomplishment and pride in their particular song was experienced by the staffs of the Vilmarian and Villecho who produced the Yearbook and school newspaper.

The variety of clubs and organizations at Villa have provided not only the opportunity for us to sing our own song in our own way, but at the same time, to learn to listen to and to appreciate the beauty in another's song.

"We are made for service, to care for each other..."

Christian Life Community

The Christian Life Community has enriched the lives of its members through prayer experiences, Sacred Scripture study, and service to the needy. Under the direction of Sister Mary Rachel their moderator, Audrey Staniszewski, President and Ann Hackett, Vice President, they have accomplished a great deal.

Their efforts have provided money for the foreign missions served by the Felician Sisters in Kenya, Africa. CLC members also have served the poor and needy elderly in the *Mother Angela Soup Kitchen* at St. John Kanty Parish.

Justice And Peace

Under the guidance of Mrs. Irene Metzger, Moderator, the Justice and Peace Club endeavored to heighten awareness of justice and peace concerns globally — but especially in our own corner of the world.

Student leadership was provided by Marislynn Misiak, Ann Marie Misiak, Colleen Trzaska, Emma Rullan.

Student Council

Motivating school spirit was a major mandate for the Student Council — a task they both took seriously and enjoyed! This year, Stu-Co sponsored such activities as Thon Day, School Spirit Week, dances and the "Students Against Drunk Driving" assembly program.

As school leaders, members assisted in maintaining general order within the school building and helped to facilitate cooperation between students and faculty and administration. Through the help of Stu-Co homeroom representatives, VMA students were given a voice in the happenings of the school, especially in decisions regarding school activities.

Co-Moderators, Sister Jeremy Marie and Mrs. Marian Whitcomb, coordinated and oversaw all Stu-Co activities.

Chorus

Under the direction of Sister Judith Marie, the Villa Maria Academy Chorus gained the invaluable experience of singing in an ensemble and developing their personal and group musical talents.

The Chorus demonstrated their skills at the Annual Christmas Concert which was performed for our student body, the Parents Guild, the Knights of Columbus and for an appreciative audience of area elementary school students. The traditional Spring program featured Villa's Chorus in concert with the Chamber Chorus from St. Francis High School of Athol Springs, New York.

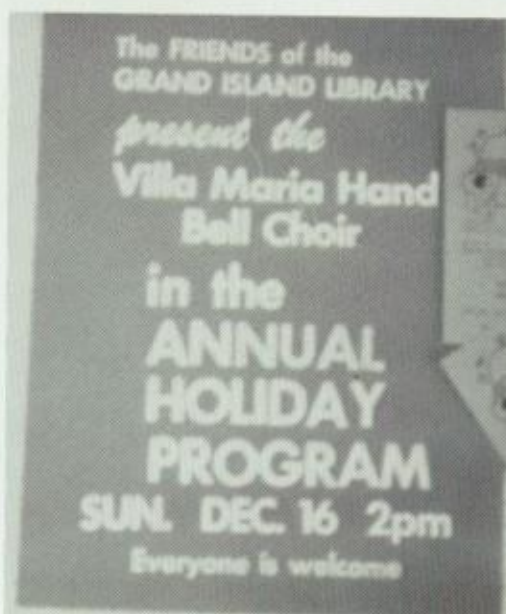

"Ring out a song of joy...!"

Handbell Choir

The Handbell Choir, under the direction of Sister Joseph Marie, gave its members the opportunity to play a musical instrument as they learned more about music.

Handbells are precision instruments whose proper rendering requires strict concentration. The fruit of much practice and hard work was in evidence as the Choir performed in the Christmas and Spring concerts. The group also performed by invitation at the Grand Island Public Library and in a concert sponsored by the Villa Maria Institute of Music.

Folk Group

The Folk Group, under the direction of Sister Judith Marie, provided its members with the opportunity to sing and play in a contemporary Church Ensemble. In addition to developing musical talents, the Folk Group accompanied school liturgical celebrations which encouraged more meaningful and participative student body involvement in liturgical prayer.

FBLA

The Future Business Leaders of America Club supplemented and strengthened the business and office education of its members. Opportunities were provided to enrich business skills through competitive events and activities. The FBLA toured WKBW-TV studios, Westwood Pharmaceuticals and visited Children's Hospital. In February, members entered local competition in preparation for April's State Leadership Conference at Kiamesha Lake, NY.

Spanish Club

The Spanish Club exists to assist students in learning more about the customs and culture of Spanish-speaking people as well as to use the Spanish language outside of classroom situations.

Social and recreational purposes were also fulfilled by the club's members. With Sister Maxentia, club Moderator, as guide, the students created colorful pinatas, made Christmas cards, baked cookies from Spanish recipes and played "Scrabble" in Spanish!

Polish Club

This year, the Polish Club's activities included creating Christmas ornaments, making apple pancakes and visiting the "Polish Villa" Restaurant while learning about Polish traditions, crafts, folk songs, and dances.

The Club met under the leadership of its Moderator, Miss M. Wardynska. Officers included Lisa Stobnicki, June Grygorcewicz and Jennifer Kiedel.

Latin Club

During the Latin Club's monthly meetings, members were encouraged to take an interest in and to appreciate the civilization of Ancient Greece and Rome. They also gained an understanding of our own country's indebtedness to these ancient civilizations. Sister Eligia was club Moderator; officers included Lisa Keicher, Audrey Staniszewski, Christine Bender and Amy Pustelnik.

It's Academic

The It's Academic team sang a song of victory as they came in first to win their round of competition! Club members put in a lot of "overtime", coming in on Saturday mornings in preparation for their event. Congratulations to the team and to Sister Joseph, Moderator, for a job well-done!

Villecho

This year, the staff of the Villecho once again provided the student body and the extended Villa family with the highlights of school happenings. Staffers provided a valuable service to the school and acquired important journalistic experience. The year's activities were coordinated by advisor, Mrs. Joan Tyszka; Ann Fox was editor.

Vilmarian

This year's Vilmarian is unique in that, through song, the reader can feel and hear, as well as see, the year as it has unfolded. Co-Editors Mary Ellen Shea and Cindy Ptak, a small but unselfish and dedicated staff, and advisors, Sr. Amelia, Sr. Francesca and Sr. Jeremy, found themselves listening to more music and sharing more songs during this past year than they could ever have imagined. The music will live on!

Queen

athletics

Be it low or high, flat or sharp, every note on the musical scale possesses its own unique resonance and pitch as well as the potential to combine with other notes of the scale in splendid and breath-taking harmony.

A note left to itself, however, is just a note; it complements no other sounds and no contrasting notes are present to bring out the full magnificence of its beauty and force. The potential for consonance goes untapped; the note defines no mood and continues no melody.

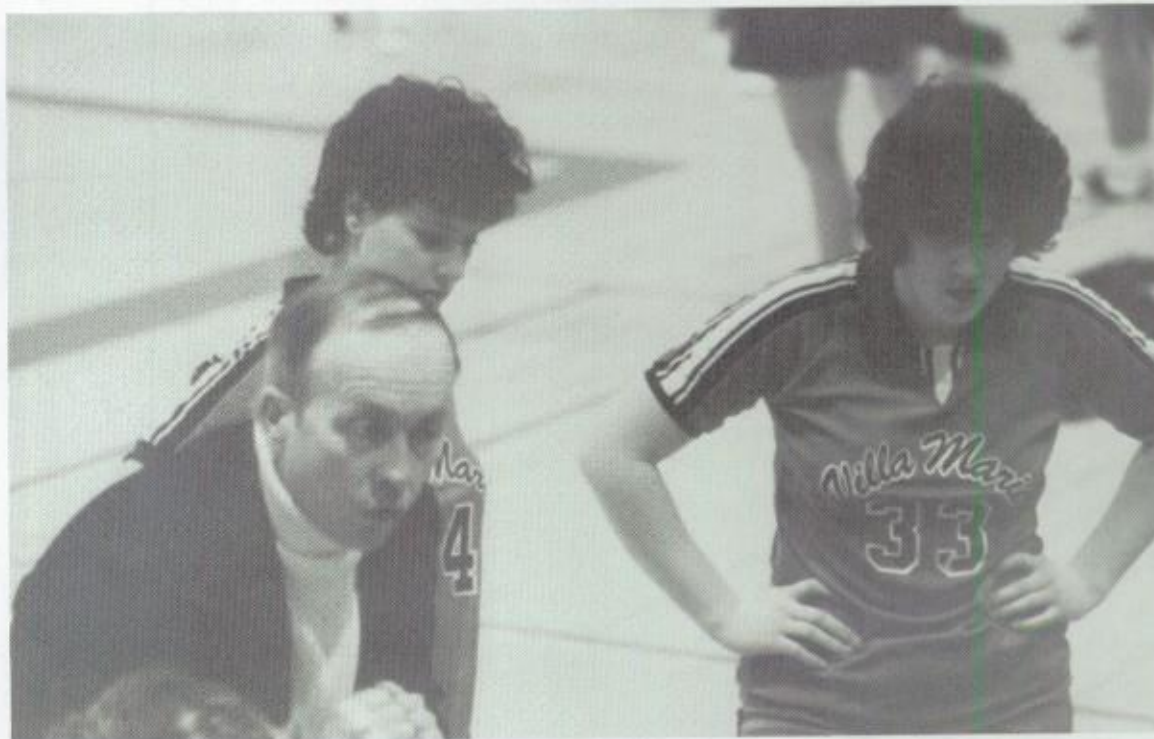

In the Athletics program at VMA, much of this same principle exists. Whether it be basketball, softball, bowling, badminton, swimming or volleyball, each sport demands specific skills and talents of its participants. Each individual member of a team has developed her own special abilities and capacities so that she can truly support the total team effort — for one player, one note, is not the team, cannot be the entire song. Rather each player's performance complements all others; each individual's talent combined with those of her team mates results in harmonious team effort.

This ultimately results for the team members in the satisfaction of knowing that not only have they "sung their own song" by striving for their personal best, but at the same time, through interaction with fellow team mates, they have achieved a harmony in teamwork which is the very essence of athletics at VMA.

Basketball

This year was a "growing" one for our basketball teams! The number of victories chalked up was not great, but the determination to win and improve was always present. Our Bears showed a great deal of pride and sportsmanship under the direction of Mr. Andy Moynihan and Miss Kathy Tutton.

Cheerleaders

Villa boosters at their finest — our Cheerleaders! Under the direction of Mrs. Georgiana Kowalczyk, Faculty coach, VMA's cheerleaders energetically cheered on our basketball team to victory — or — lifted their spirits in defeat.

Complex mount formations gave evidence of the girls' gymnastic abilities during their varied routines. Sheryl Komorowski and Colleen McCarthy served as Co-Captains.

Slimnastics Gymnastics

Offering Vilmarians the opportunity to work out in a directed, structured setting was one of the main objectives of the Slimnastics and Gymnastics Clubs. Under the direction of Mrs. Reczek, the girls used their personal and group creativity to choreograph dances and aerobic routines to music. For some, the eventual conquering of the challenging balance beam was a major triumph. Both groups performed in the Spring Physical Education Show.

Ski Club

When the snows finally fell this Winter, the Villa Maria Ski Club was anxiously ready! With bus motor running and ski gear packed, the group travelled to Kissing Bridge along with other students from schools in Western New York and Canada, accompanied by club moderators, Mrs. Yacono and Miss Skrzyniecki.

The girls were given the opportunity to take ski lessons whether they were beginners or experienced skiers. They may not always have managed to stay on their feet, but they always had a super time!

Swim Club

The Swim Club met weekly with Moderator, Miss Kathy Tutton, to practice and to learn new swimming skills. The girls focused most of their energies on synchronized swimming as they prepared for the Annual Swim Show. Members choreographed their own routines to various songs of the "Rock & Roll" era.

Softball

1984 was one of the most successful ever for a VMA Softball team! The Varsity was undefeated in league competition and in the play-offs under the superb coaching of Mr. Bob Lewandowski. A convincing victory over Mount Mercy gave us the Diocesan Championship.

Michelle Kucharski, Cheryl Lewandowski and Joanne Kirst were named to the All-Catholic First Team; Kim Pawlak was placed on the Second Team.

patrons

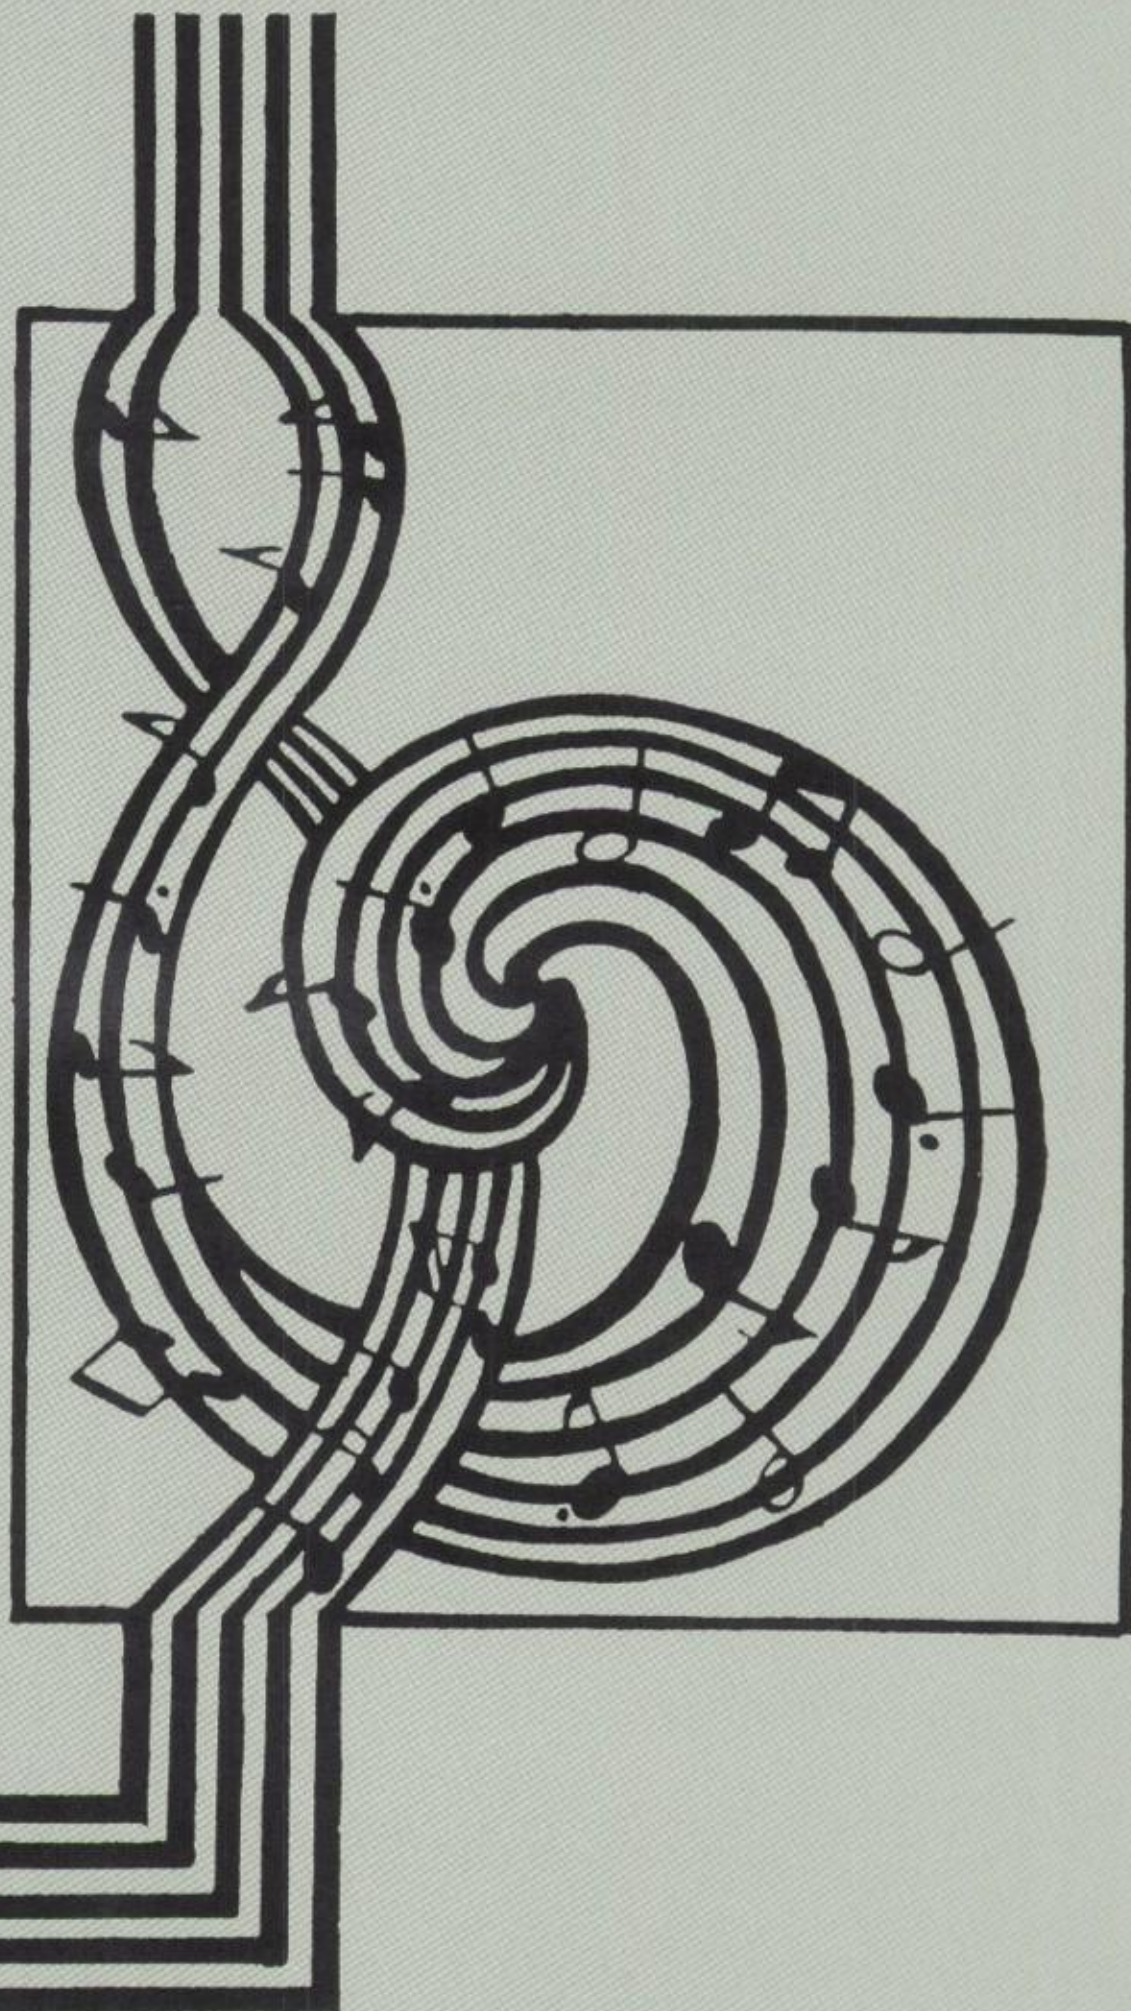

On a "Final Note", we extend our sincere thank you to all of the individuals and groups who in any way helped to finance the production of our yearbook. Patrons who supported our Ad Drive and students who purchased a book contributed a very important part to this publication.

A yearbook captures the lasting memories of our lives as high school students and reminds us of the joys, successes, heartaches and ups and downs we experienced during our days at VMA. Although many people will turn these pages, this yearbook has a special meaning for all whose lives are represented in it. This book is a historical document of a unique school year, never before and never again to be lived.

Much time and effort has been put into creating this work. The editorial and financial staffs of the *Vilmarian*, with the support, help and encouragement of our Advisors, have produced a never-to-be reproduced treasure.

This patron section of the yearbook reflects the generous and unselfish support of members of our communities, families and friends. Without their monetary assistance, this yearbook would be extravagantly expensive and an unaffordable luxury for most. This thank you goes out to all of you who, by "Singing Your Own Song", in your own unique way as supporters, friends and business patrons, have enabled us to hold on to these special times through this publication.

"Thanks for the memories..." — Bob Hope
